INSTANT PATINA

Even new drywall feels centuries old with evocative plaster, limewash, and mineral paints brought to the U.S. by Belgian artisan Eddy Dankers, the maestro behind designer Axel Vervoordt's ethereal finishes. With ready-mixed, mineral-based pigments, the moody, otherworldly walls of a European château can be yours in just a few coats. dominguefinishes.com.

Domingue's paints are available in more than 140 shades.

PAINTERLY PERSPECTIVE

Sunny, vibrant brushstrokes recall Mediterranean seaports in Balineum's new collection of colorful ceramic tiles, with nearly 100 exuberant patterns in spirit-lifting hues, all done by Florentine artisans.
